Business Career

Currently a partner in Law Firm and my practice is devoted at this time to Commercial and Estate Law. Earlier in my career I did an extensive amount of Civil Litigation in all levels of courts and I was always grateful to St. Mary's for all of those elocution classes that I dreaded at the time. I have practiced in Peterborough my entire legal career.

Personal

I have been married to Karen to 34 years and she coincidentally lived in Brockville at the same time I was attending St. Mary's. We have four children; Mark 32, David 30, Katy 28 and Danny 24, 2 1/2 grandchildren and one dog. Not bad for a poor Catholic and a Protestant from a small town.
