Bio

Since leaving SMC in 1969 I went on to Ottawa U for a short stint continuing studies. Fell in love with Anna, whom I'd met at an EOSA game played at North Dundas High School (Chesterville). Married, joined Scotiabank, entered the Banker gypsy life for the next 20 years (moved 14 times) and raised a son and two daughters. We moved to Windsor in 1983 & I left the Bank to join The NARMCO Group (Metal stampings & assemblies) in 1988. I have been the Corporate Sales Manager for this private company for 8 years and will be leaving their employ June 30th to work for John Sheldon Chrysler.

My children (Patrick, Nicole, Joycelyn) have brought Bummer (Ann) & I tremendous pride and happiness. They live in Windsor. Pat & Fina have 2 boys with a third child expected in October; Nicole is engaged to marry Christopher in November; Joycelyn & Don have a boy and a girl. All the grandchildren are healthy & happy and good looking like their Pepe.

Life has been very good to me & my family.
